Uday Rubber Products (ssi Govt. Regd. Unit.)

<https://www.udayrubberproducts.com/>

We are one of the foremost manufacturers, supplier and exporters of extruded rubber components, which are widely used for various applications such as sealing, gasketing, compression and more. Our products work effectively under extreme conditions.

About Us

A fully integrated company, we **Uday Rubber Products**, are a prominent name engaged in the manufacture, export and supply of wide range of extruded rubber components. We are **SSI Regd. Unit**. Made under strict quality control mechanism, the range of rubber products we offer cater to the application needs of automobile, electrical, food, pharmaceuticals and other engineering industries. We offer silicon rubber products, rubber molded articles, anti vibration pads, rubber sheets, rubber extrusions, hydraulic & pneumatic seal kits. Our company works under the able guidance of **Mr. Mitul Shah & Mr. Nishith Shah**. Their immense industry experience and business knowledge are the driving force behind the success of our company. Further, the support of our state-of-the-art infrastructure and semi automatic production system has enabled us to export 20% of the total manufactured products to Middle East, UK and other international regions.
